ALGO Disclosures:
Conflicts of Interest Related to SkyBridge's Compensation for Consulting Activities

From time to time, SkyBridge Capital II, LLC and its affiliates (together, "SkyBridge") are engaged to perform consulting services in the crypto ecosystem to facilitate the growth of third-party projects and initiatives. SkyBridge may be compensated for such services by the issuance of virtual currency tokens. SkyBridge receives 416,667 Algorand virtual currency tokens on a quarterly basis over a three-year period that commenced in September 2021.
