The indices are presented merely to show the general trends in the markets for the period and are not intended to imply that the Portfolio is comparable to the indices either in composition or element of risk. **Investors cannot invest in an index.** The indices do not reflect the deductions of any fees. Index data is provided for comparison purposes only and a variety of factors may cause an index to be an accurate benchmark for a particular fund. Comparisons to indexes have limitations because indexes have volatility and other material characteristics and risks that may differ from a particular hedge fund. The indexes are for illustrative purposes only and should not be relied upon as an accurate measure of comparison. The results shown above do not reflect the effects of any placement fees and would be lower if they did. Statistical data on index returns has been obtained from Bloomberg.

On June 30, 2010, SkyBridge Capital II, LLC acquired the Citigroup Alternative Investments LLC ("CAI") Hedge Fund Management group and replaced CAI as the Investment Manager. Accordingly, results through June 30, 2010 set out herein were not generated when SkyBridge acted as the Investment Manager to the funds and accounts set forth here. There were changes in the senior management and investment personnel and investment process of the previous Adviser September 2005 when Co- Chief Investment Officer Raymond Nolte's tenure commenced. It is not possible to know to what extent performance returns were impacted by such changes.

This document does not constitute an offering. Before making an investment, all investors must obtain and carefully read the applicable Confidential Offering Memorandum or Prospectus, which contains the information needed to evaluate the investment and provides important disclosures regarding risks, fees, and expenses. As described in the applicable Confidential Offering Memorandum or Prospectus, investing in the Portfolio is speculative, not suitable for all investors, and intended for experienced and sophisticated investors who are willing to bear the high economic risks of the investment, which can include:

- loss of all or a substantial portion of the investment due to leveraging, short-selling, or other speculative practices;
- lack of liquidity in that there may be no secondary market for the Fund, and none is expected to develop;
- volatility of returns;
- restrictions on transferring interests in the Fund;
- potential lack of diversification and resulting higher risk due to concentration of trading authority when a single advisor is utilized;
- absence of information regarding valuations and pricing;
- complex tax structures and delays in tax reporting;
- less regulation and higher fees than mutual funds; and
- risks associated with operations, personnel, and processes of the manager.

Individual funds will have specific risks related to their investment programs that will vary from fund to fund.

This document contains certain forward-looking statements as defined within the meaning of the Private Securities Litigation Reform Act of 1995 and is subject to the safe harbors created therein. Actual results could differ materially from those projected in the forward-looking statements, as a result of risks and other factors discussed in the applicable Confidential Offering Memorandum or Prospectus.
